

EZEGLLOW™

2026/27

Ezee Glow

Our impressive collection of electric fires features a variety of electric stoves in both freestanding and inset designs, along with suites and wall-mounted options—making it easy to find the perfect Ezee Glow centrepiece for your home.

Our modern fires incorporate LED flame effect technology to deliver a highly realistic flame display, enhanced by decorative fuel beds that feature ceramic logs, glass crystals, and ash pieces.

Certain stove models can be customised with log stores and decorative flue pipes for a more authentic look, while selected suites offer a choice of finishing trims to suit your style.

5 Year Extended Warranty

Every Ezee Glow fire comes with a 5 year extended warranty. Year one of your warranty includes parts & labour. This can be extended for parts only for years 2-5 by registering at ezeeglow.com
